Andy Transplant Foundation will also be showcased in this magazine which will be released with the red carpet event and Brenden Celebrity Star dedication ceremony to Joseph Jackson & family.**

**The Andy Transplant Foundation was established in 2004 by Lady Susan Thompson. The Foundation’s, (ATF) main objective is to save lives through charitable fundraising that supports transplant research and increases awareness of the need for individual organ transplant donations. The foundation is headquartered in Cary, North Carolina with operations throughout North America and projects around the world.**

**Fundraising activities are primarily focused on events and other initiatives that drive research and awareness funding, while positively impacting the lives of transplant patients and their families. With a backdrop of integrity and sophistication, corporate donors and individuals continue to find great value to support this wonderful cause.**

**Special thanks and kindness for support with our charity goes to James Guyer of Saint Petersburg, Florida and his film ARIGO, written and directed by Oscar Winner, Alan Arkin Starring Andy Garcia, Alan Arkin, and others to be announced soon.**

**For more information about the Andy Transplant Foundation and to find out how you can help go to [www.andytransplantfoundation.org](http://www.andytransplantfoundation.org).**
